About Me

I am a passionate Front-End Developer with a keen eye for design and a drive to create seamless digital experiences. I specialize in building robust and scalable web applications using modern technologies. Currently advancing my expertise in React and Django with a focus on creating responsive, user-centric web experiences with clean, maintainable code.

Technical Skills

HTML	CSS	JavaScript	Python
95%	90%	85%	70%
Git	React	Django	Chart.js
80%	75%	70%	75%

Certificates & Achievements

1.	Web & App Development Caravan2Digital 2025 ■ https://moha55dz.github.io/Portfolio/assets/certificates/web-app-certificate.html
2.	ICSC Final Round International Coding & Science Competition 2025 ■ https://moha55dz.github.io/Portfolio/assets/certificates/icsc-final-certificate.html
3.	ICSC Pre-Final Round International Coding & Science Competition 2025 ■ https://moha55dz.github.io/Portfolio/assets/certificates/icsc-prefinal-certificate.html
4.	ICSC Qualification Round International Coding & Science Competition 2025 ■ https://moha55dz.github.io/Portfolio/assets/certificates/icsc-qualification-certificate.html

5.	Python Programming Programming 2025 ■ https://moha55dz.github.io/Portfolio/assets/certificates/python-certificates.html
